greece

Terre entre Méditerranée et montagnes, à la fois âpre et généreuse, actuelle et éternelle. La Grèce, lieu ultime d'une évasion au mille camaïeux de bleus. Dessinée de milliers d'îles parsemant les mers Égée et Ionienne. Berceau de la civilisation occidentale et patrie des arts qui nous inspirent aujourd'hui encore.

Land between the Mediterranean and the mountains, both harsh and generous, current and eternal. Greece, the ultimate place for an escape in a thousand shades of blue. Drawn from thousands of islands dotting the Aegean and Ionian Seas. Cradle of Western civilization and home of the arts that still inspire us today.

DESERT

Lumière dorée caressant le sol aride, pavé des plantes piquantes aux nuances presque grisâtres. Debout, seul dans une plaine qui s'étend à perte de vue. Les paysages désertiques ont de tous temps exercé leur attrait envoûtant sur les hommes. Mélange parfait de forme et de fonction, les collections Sifas créent sans effort une atmosphère sereine. Une élégante invitation à un moment de confort et d'évasion, depuis votre espace extérieur.

Golden light caressing the arid ground, paved with prickly plants with almost grayish shades. Standing alone in a plain that stretches as far as the eye can see. Desert landscapes have always had their bewitching attraction to men. A perfect blend of form and function, the Sifas collections effortlessly create a serene atmosphere. An elegant invitation to a moment of comfort and escape from your outdoor space.

AIR MEDITERRANEE

Air marin aux effluves salées et regard porté sur l'horizon de la Mer Méditerranée. Où l'évasion et le voyage se rencontrent. Naviguez au gré des ondes, reflétant les rayons du soleil de la French Riviera, à la surface de l'eau claire. Lieux où la chaleur des rivages de cette Côte d'Azur idyllique, épouse les ponts et les terrasses habillés de leur plus beau bois. Gammes design, rencontre de modernité et confort. Les collections Sifas sont un gage de confort, d'évasion et de durabilité

Sea air with salty scents and a gaze towards the horizon of the Mediterranean Sea. Where escape and travel meet. Sail along with the waves, reflecting the rays of the Côte d'Azur sun on the surface of the clear water. Places where the warmth of the shores of this idyllic French Riviera embraces the bridges and terraces dressed in their most beautiful wood. Designer ranges, meeting modernity and comfort. The Sifas collections are a guarantee of comfort, escape and durability.

DESIGNERS

COLLABORATIONS

DÖPPEL STUDIO

Depuis 2020, Sifas s'est entouré de designers de renom mettant le design au cœur de l'identité de la marque. Parmi ceux-ci, Döppel Studio s'est distingué par son approche axée sur l'engagement du corps et de l'esprit à travers le design. Le duo Lionel Dinis Salazar et Jonathan Omar ont créé en 2020 pour Sifas la collection Big Roll, un design inspiré des bouées gonflables, rappelant l'ambiance de la piscine en été. Une esthétique radicale dans ses formes gonflées marque l'identité de la gamme et apporte un coup de modernité à la marque.

Since 2020, Sifas has called on some well-known creators, firmly placing design at the core of the brand's identity. These include Döppel Studio, which stands out for its use of design to engage both body and mind. Design duo Lionel Dinis Salazar and Jonathan Omar created the Big Roll collection for Sifas in 2020. It is inspired by rubber swim rings and conjures up a summer poolside atmosphere. With its inflatable lines, this collection's radical aesthetics define the range's identity and give the brand a modern edge.

Ce travail est renforcé cette année par des extensions de collections, le choix de tissus premium et les scénographies réalisées pour les showrooms Sifas.

Since 2022, Sifas embarked on a partnership with OTTO Studio, the interior and design studio born from Paola Navone's creative vision. Domenico Diego and Cristina Pettenuzzo are working with Sifas to develop the DNA of the company, and creating unique, innovative and inspiring collections that never fail to surprise. This year, they have also designed a number of additions to the existing collections, been involved in the choice of premium fabrics, and worked on the set designs for the Sifas showrooms.

ERIC CARRERE

Collections : KALIFE - KWADRA - OSKAR

Durant sa carrière, Eric Carrère a concrétisé de nombreux projets dans des secteurs très variés : l'électroménager avec SEB, les lunettes avec CEBE mais aussi la SNCF et de nombreuses collaborations dans le mobilier Outdoor avec Sifas. Ce designer industriel aux nombreux talents nourrit son projet d'un brief "produit" et de l'analyse de l'univers de la marque et de son marché. Pour Oskar, il a tout d'abord étudié minutieusement l'histoire du fauteuil metteur en scène, afin de mettre en exergue ses principes fondamentaux pour mieux les sublimer, et développer des matériaux adaptés à un usage extérieur, notamment le teck synthétique que l'on retrouve sur les accoudoirs des fauteuils ou encore les plateaux des tables.

During his career, Eric Carrère has brought to life numerous projects in very diverse sectors: household appliances with SEB, eyewear with CEBE, as well as collaborations with SNCF and in outdoor furniture with Sifas. This industrious designer with many talents fuels his project with a «product» brief and an analysis of the brand's universe and its market. For Oskar, he first meticulously studied the history of the director's chair to highlight its fundamental principles in order to better sublimate them, and to develop materials suitable for outdoor use, notably synthetic teak found on chairs armrests and tabletops.

SAMUEL ACCOCEBERRY

Samuel Accoceberry, designer de renom, valorise le savoir-faire traditionnel, l'artisanat de qualité, et la narration de la marque par le design. Il imagine pour Sifas la collection Outline, qui allie élégance, légèreté et confort. Celle-ci a été exposée dans des institutions prestigieuses à travers le monde.

Well-known designer Samuel Accoceberry embraced traditional know-how, quality craftsmanship and the brand's narrative, expressed through design. For Sifas, he came up with the Outline collection, which combines elegance, lightness and comfort. It has been showcased in some prestigious institutions across the globe.
